## Hamlin 3rd Annual Invitation Golf Tournament June 14-21; More Than 100 to Compete

The Lakeview Golf Club of Hamlin, Texas, announces the Third Annual Invitation Golf Tournament to begin June 14 through June 21 inclusive. The Lakeview Golf Club holds membership in the West Texas Golf Association, and boasts of one of the most beautiful golf courses in Texas, being a nine hole course with natural green grass fairways located on the banks of Lake Hamlin. This course is mostly an all weather play ground, kept by F. D. Howe, Club professional.

More than 100 golfers are expected to gather here Sunday, June 14th for the qualifying round of the third annual invitation golf tournament. The qualifying dates are set for June 14 to 18 inclusive. Match playing will be scheduled for June 19 and 20. Final championship matches will be played Sunday, June 21.

Beautiful prizes will be given for medalist winners of each flight, runners up and consolation in each flight. Great interest will be manifested in the driver's match to be held during the tournament Thursday, June 18 at 5:00 P. M.

All are invited to attend a dinner to be given on the night of June 18th, at 7:00 o'clock on the club grounds on which occasion a Calcutta Pool Auction will be held.

Panny Farmer of Lubbock, won championship in 1935, and has announced that he will take part in this tournament. Red Toler of Hamlin, is expected to make a strong bid for the title as he won the recent city championship by shooting sub-par golf.

The following players are expected to take part in this tournament: Joe Edmission, Lubbock; Joe Dick Slaughter, Lubbock; Chas. Reason

Jr., Electra; Jack Parr, Electra; Buddy Wheeler, Seymour; Johnny Marston, San Angelo; Jackie Jackson, San Angelo; D. L. Hunter, San Angelo; J. P. Hill, San Angelo; Johnny Neil, Odessa; H. G. Agnew, Ballinger; Allen Guinn, Mineral Wells; Morris Norton, Wichita Falls; Warren Cantrel, Stamford; T. F. Vaughan, Lamesa; Sam Conner, Eastland; Shirley Robbins, Big Spring; Red Covington, San Angelo; Red Toler, Hamlin; Frank Johnson, Hamlin; Bob Scott, Colorado; Lyle Scott, Fort Stockton; Pat Rauschalbach, Jacksboro; Harry Tolbert, Midland; Elmer A. Morris, Ranger; C. E. Boyd, Brownwood; W. S. Pendleton, Jr., Shamrock; T. D. Webster, Memphis; Morris McCarty, Knox City; B. M. Whittaker, Haskell; W. J. Arrington, Rule; Saxton Judd, Vernon; and many others will be in Hamlin for the tournament.

F. W. Gatis, known to all of us as "Uncle Felix," of Brenham, came in Monday to look after his Hamlin property. Mr. Gatis is an old-timer cafe man in Hamlin. He reports the death of his only sister, Miss Nannie Gattis died on May 6 this year. Mr. Gattis is 82 years "young."

John T. Day, Mrs. Day, Mrs. Garland Tumlin and Mrs. Maurice Smith went down to Dallas last week to get an early start with the Centennial. Up to Tuesday they were still away—speculation runs that John T. has joined Billy Rose—maybe.

Mrs. Roy Laton has returned to her home at Teague, Texas, after visiting her sisters, Mrs. O. K. and Mrs. M. C. Wilson.

## VETERANS TO GET BONUS BONDS

As most everyone knows, the soldiers' bonus is slated for settlement in bonds the fifteenth of this month. I am dropping this information that everyone, both civilians and soldiers, may cooperate in relieving the congestion that will naturally result for a few days. First, let me ask patience on the part of the public if they do not receive the usual service, as the Post Office Department is facing a huge task and we are assuming our responsibility cheerfully, though it is a task unusually asked of us and just an added piece of work. So just remember that we are primarily interested in completing a piece of work that has hung in the balances for a long time and that it is the biggest thing of national interest since the world war ended. To you soldiers, remember you have waited 18 years and be the continued good sports for just a day or two longer.

BONDS JUNE 16

The bonds for Hamlin will be registered out of Dallas the fifteenth of this month and we plan to deliver them in Hamlin the morning of the sixteenth. Those of you who reside on rural routes please do not call at the windows here as they will be signed for by the carriers and they will go out of their way to get them to you. Meet your carrier on the 16th and if your bonds have not arrived in time for that dispatch meet

him again the next day.

Just as soon as the bonds begin to be signed for, at the window, we will start taking request for payment. Let everyone realize that each one of these transactions are separate and distinct. When you receive the bond you soldiers are paid for your bonus. If you want to cash your bond we take your application on the back of the bonds and send them to Dallas just like we would for anyone holding government bonds.

We will send them in to Dallas daily and Postmaster Luna of Dallas, has given us his word that a check would never be over two days starting back after receiving the bonds. So we should be receiving checks back by the morning of the twentieth.

You take these checks and cash them just like any government check.

We will not have money at the office to do this but the boys at the bank have made special arrangements to be ready for the emergency.

RADIO ADDRESS

Saturday night over a national hook-up Postmaster General Farley will give an address relative to the bonus payment and all are especially urged to avail themselves of this opportunity to hear him as he will give you the details.

HAROLD BONNER Postmaster.

Buddy Withers, coach for the Pecor High School, and Mrs. Withers, came home last Sunday to spend several weeks of their summer vacation in Hamlin with their mother, Mrs. J. C. Withers.

## General Crude Oilers Play Hamlin Friday

The big grudge game between the General Crude Oilers and Hamlin, leaders of the Wichita Valley League, will be played at the ball park this Friday afternoon at 4:00 P. M. Base ball fans have been trying all season to get these clubs together but for some kind of differences between the managements it has been impossible to arrange until now. Fred Hulsey boast his Oilers the strongest semi-pro outfit in West Texas but Tut Tabor says his league leaders can tame them.

Both teams seem evenly matched on paper with the Oilers having the edge in pitching in Lefty Courtney. Hamlin will either start Arch Pittman, the leading pitcher in the Wichita Valley League, or Bennie Ford, who has won every start for the locals.

Five of the Oilers are former Hamlin stars, which may account for the keen interest manifested among the players, namely Lefty Courtney, Ralph Hallums, Duck Weaver, Hulen Bradford and Arice Jones. These stars have been replaced by the Hamlin management by (Chuck Abbott, Arch Pittman, Bennie Ford, Bucky Harris and Buford Allen.

All fans may expect a fight from start to finish.

The business houses will probably be closed from four to six for the game.

Probable starting line-ups:

Hamlin: Gen. Crude; Tabor ss R. McCoy lf; Ensey 2b H. Bradford c; Harris lf Hallums 3b; Abbott c Witt cf; Rowland 1b Weaver 1b; Weeks 3b A. Bradford ss; Portwood or Day Roy 2b; Stewart rf Jones rf; Allen cf Courtney p; Ford or Black p; Pittman p Brown c.

A. Ford and T. McCoy, Util.

Editor's Note: (Please search yourself before going to game)

MUNDAY PLAYS HERE SUNDAY

AT 3:30 P. M.

Munday and Hamlin play another Wichita Valley League game at the local park here Sunday afternoon at 3:30 P. M. Hamlin will be doped to chalk up another game in the win column unless they are crippled too bad today in the game with the tough General Crude Oilers.

Munday won from Anson last Sunday by score of 7 to 5.

The league standing to date:

	G	W	L	Pct.
Hamlin	8	7	1	.875
Anson	8	3	5	.375
Munday	8	3	5	.375
Haskell	8	3	5	.375

HAMLIN WINS AGAIN

Hamlin continued to set the pace in the Wichita Valley League as they took Haskell 7 to 3 at Haskell Sunday.

Arch Pittman was in good form and struck out eleven of his former team-mates. Rowland, Tabor and Weeks led the hitting for the winners.

Munday plays at Hamlin next Sunday.

## Fine Wheat Harvest Now On In Hamlin Country

Is there any agricultural scene more beautiful than a broad field of waving wheat, golden heads, that remind one of the waving ocean. Is there any music more charming than the hum of the reaper, the thrasher, the combine?

Is there anything that smacks of prosperity more than the rushing out and in of the ruck or wagon, filled with full rich grain? Is there anything that will cause a rail road company to drop its demand to pull up tracks and road bed, quicker than to see and to know that car after car of new wheat is being rushed out of a community that they wish to "back out" on. No siree, the Abilene & Southern rail road is needed, for this is NOT the only year it has carried the Hamlin country wheat so heavily.

Well, again we must say that products grown, is new wealth and that is what makes a prosperous community and state. However, the music of the harvest is not heard all over Texas like it is in this section. We learn that the Crowell section has pretty fair wheat and the Santa Fe is moving quite a number of cars, while other wheat areas are almost failures.

HAMLIN FARMERS ARE MAKING COMBINES HUM

Last week the harvest started—last Sunday the combines and binders were making "wheat while the sun shined." A number of cars had already been loaded and other were in process and still many more needed.

For a while the past spring it seemed that Hamlin wheat was a failure, but recurring rains, not altogether general, but right on the wheat field, started the crop to a fine finish. Looking around now, we find quite a number of wheat farms, getting or will get extra good yields of wheat.

Bill Matchett, four miles northeast of Hamlin had two combines running in his field last Sunday, and reports are that Bill is getting nearly 30 bushels per acre.

The Herald does not wish to emphasize "Sunday harvesting," but when wheat gets ready it is ready, and wind or hail would mean a great loss.

The Culbertson farm east of Hamlin had three combines operating over the Sunday, and Joe says his turn-out will vary from 12 to 30 bushels per acre.

J. C. Farris had a good acreage of fines wheat north of town and his combine has been running for several days, even through Sunday and many days yet before finishing. He is making as high as 30 bushels.

Carl Greenway, southwest of Hamlin has a good crop and reports are that he is making around 20 bushels.

Fred Stovall, Tom McAllister, Bud Ferguson, Ed Bailey, J. M. Stubbs,

L. C. Denton, John Walton, Dick Robertson, Rev. J. Henry Littleton, T. A. Jean, and John Stephens, and others too numerous to mention, all about town, have hit it lucky on wheat this year.

Yes, Sir-e-e, the song of harvest is music when wheat is selling for as much as 75 cents or about there. Maybe farmers should sell their wheat NOW, but from reports and from actual observations, wheat is going to be wheat this season. There was a time when wheat sold in this community at 30 cents or less, and while there was plenty to be done, laborers could not get enough pay to enable them to work. There's plenty of work now and from scarcity or from some cause farm products are high enough to pay fair wages for labor.

COTTON AND FEED FINE

While talking of farm products, let's say that perhaps not in a long time has this country had better stands of cotton and row crops. Cotton is almost perfect. Not in such bad condition as might be expected after the weeks or more of rain. Some earlier cotton had to be re-planted, but planting and re-planting conditions have been unusually good. Weeds got a good start while it rained, and this year chopping of cotton will be the order, more so than usual. Extra good stands mean more chopping. Taken as a whole this part of the state is in a pretty picture right now. Rains at the right time the next few weeks will make the picture permanent as far as 1936 is concerned.

Since the above was set into type wheat shipping at the A. & S. has developed long strings of cars—a booming busy place. No, this means the A. & S. tracks will NOT be moved. Betcha.

Foy Pribble is a happy fellow these days. He is home with a degree from Texas Tech. He majored in horticulture and thus, with his brother, Iris Pribble, who is also a Tech graduate, will make a good team in their line of work.

MAN DIES AT LUFKIN

LUFKIN, June 10.—G. E. Watford, veteran Texas newspaper man, died here today after a long illness.

He published the Lufkin News for 20 years prior to his retirement in 1934, and before that time was editor of the Beaumont Journal. At one time he published a newspaper in Hamlin, Texas.

His widow, a sister and two grandchildren survive.

NOTE: In 1914 the present owner of the Hamlin Herald acquired the plant from a man by the name of Norwood. G. E. Watford held all papers and really we purchased the Herald from him. He also owned the home that formerly stood where Dr. Bynum now lives on Union Avenue and the brick building where the Ensey-Carlton Gro. is now located.

## THE LASS-O, STUDENT PUBLICATION WINS HONOR

Awarding of all-American honors to The Lass-O, student publication at Texas State College for Women (CIA), gave the highest rating of the National Scholastic Press Association to a woman's college newspaper, and placed it among the ten best weeklies of the nation.

The publication, edited by Miss Anna Lou Estes, Eastland, entered the contest with senior college weeklies throughout the country. Of the eight Texas entries, The Lass-O was chosen the only All-American paper. F. L. McDonald, director of the department of journalism for which The Lass-O serves as a laboratory, is faculty adviser.

## FRED L. THOMAS CANDIDATE FOR REPRESENTATIVE

Below appears the formal announcement of Fred L. Thomas, an Anson reared boy, for State Representative. He is a son of the late Mr. and Mrs. W. G. Thomas, both of whom served as county tax assessor.

FRED L. THOMAS

In filing as a candidate for the State Representative of Jones and Shackelford counties, I submit to the people of the constituency the following record and platform:

I was born in Anson in 1911 and spent my entire time there, with the exception of a few months, until I entered the University of Texas in 1933. I shall tell you for the sake of family classification that I am the son of the former W. G. (Will) Thomas, editor of the Western Enterprise about twenty years ago, and also he was Tax Assessor and Collector at the time of his

death in 1921. My mother was the former Minnie Davis, daughter of Vol Davis. My grandfather, Vol Davis, settled west of what is now Hamlin, about 1884.

At the age of nine, I took the responsibility of helping provide for my family; and in order to provide that which was necessary after my father's death, I worked as janitor for several of the business concerns from my ninth year until I was thirteen, and at the same time, I continued my education. While in high school I continued meeting my family responsibilities by working in a local cafe and printing office. Because I was desirous to continue my education after I was graduated in 1928, I worked in the oil fields, with a newspaper, and in a bakery until 1933. At this time mentioned I entered the University of Texas, and I have spent my time there studying in the Arts and Science and Law Departments. At the same time I have worked from eight to ten hours a day outside of school to meet my personal and other obligations.

It is impossible for me to substitute a platform for my conscience; therefore my plank will possibly seem unconventional. I make no foolish and golden promises that I shall be forced to withdraw in the future, for it would be a reflection upon my people's intelligence for me to expect them to absorb such, I can merely say that I favor: (1) The payment by the State of Old Age Assistance to all who can qualify under the amendment of the Constitution lately approved by the people;

(2) a strict economical administration of the affairs of this State, for I feel that I would be not only the steward of the tax payer's money, but far more than that. I would feel as the steward of his hard efforts—a thing that his money represents; (3) taking care immediately of our present state deficit; (4) no more levying of ad valorem taxes, and if possible decrease our present rate and distribute the burden to where it would be more just; (5) a law with enough force to make taxes be paid on materials and intangibles that have not even been assessed within the past; (This measure alone, if put over, could play a major part in paying our Old Age Assistance.) (6) and Mrs. J. F. Drennan and Mr. and Mrs. Albert Address.

Mrs. W. H. Gilbert and daughter, Miss Edwina, and L. W. Ezell drove down to Dallas to see the Centennial open on last Saturday. Miss Edwina remained for a longer visit.

Mr. and Mrs. Earl Address of McCaulley, announce the arrival of little Mickey Lee, a baby boy, born June 2. He is a grandson of Mr. and Mrs. J. F. Drennan and Mr. and Mrs. Albert Address.

Mr. and Mrs. J. D. Stuckey, who have been visiting the latter's parents, Mr. and Mrs. Judge Crow, of the Boyd Chapel community, for several weeks, returned to their home in Sandusky, Ohio, Tuesday.

Lucile Owen is at home from the Baptist Hospital in Abilene where she has been in training as a nurse.

Miss Ava Hudson spent the past week-end at home with her mother, Mrs. R. M. Hudson. She is taking a business course in Abilene.

## NEW PRESCRIPTION BOON TO SUFFERERS

Helps Build Red Blood—Tones Up The System—Increases Energy

Increasing numbers of Hamlin men and women are receiving the wonderful benefits of Williams S.L.K. Formula, the prescription of a Missouri doctor, which was only recently introduced in this city. Many people feeling "run-down", weak, without appetite or zest for living, declare that this new tonic preparation has helped them to feel better than they had for years. Williams S.L.K. Formula helps build red blood corpuscles, tones up the system. It is a mild stomachic tonic, and is mildly laxative and a diuretic stimulant for the kidneys. Men and women need red blood to feel their best. They need system cleansing elements which help to eliminate poisonous waste matter. Williams S. L. K. Formula has been declared a blessing by many weak run-down, ailing people and you can try it under a positive guarantee of money back if the first bottle does not produce results. Get a bottle today and start taking it.

### Lady's Painful Trouble Helped By Cardui

Why do so many women take Cardui for the relief of functional pains at monthly times? The answer is that they want results such as Mrs. Herbert W. Hunt, of Hallsville, Texas, describes. She writes: "My health wasn't good. I suffered from cramping. My pain would be so intense it would nauseate me. I would just drag around, so sluggish and 'do-less.' My mother decided to give me Cardui. I began to mend. That tired, sluggish feeling was gone and the pains disappeared. I can't praise Cardui too highly because I know it helped me." ... If Cardui does not help YOU, consult a physician.

### ACID STOMACH GET QUICK RELIEF

If you are suffering from indigestion, atonic dyspepsia, sour stomach, gas pains, "raw stomach," inflammation of the intestines (enteritis), gastric acidity and such headaches, due to excessive acidity, you can't afford to ignore these warning signs. You should try at once the Doctor's Prescription, known as Gasa Tablets. If you allow these conditions to become worse, the acids may eat into the delicate mucous membrane of your stomach and intestines and possibly cause dangerous ulcers. Gasa Tablets are pleasant to take and they start to work in just a few minutes to give gentle, effective relief of pain and discomfort caused by excessive acidity. They soothe the raw, inflamed lining of the 'acid stomach,' and help convert starchy food into dextrose, which is so essential to energy of the body, and preservation of health. Because of their remarkable success in many cases of acidity, and digestive troubles resulting from acid conditions, Gasa Tablets are offered now to sufferers under a guarantee that the first bottle must produce results or money back. For only a few cents a day, you may now have the benefits of this Doctor's Prescription which has helped so many other sufferers to a greater joy of living. Ask your druggist for Gasa Tablets. Take just one or two of those quick-acting, soothing, antacid tablets and see how they help your stomach to "tackle a hearty meal."

## LATEST HOUSEHOLD HINTS ILLUSTRATED

Timely pictures and articles for the thousands of women who are following the popular trend to electric servants

### MOVIE STAR IN NEW ELECTRIC KITCHEN

ONE of the features of Helen Broderick's newly completed home in San Fernando Valley in California is an all-electric kitchen in which almost every modern convenience for quick and efficient food preparation has found its way. Miss Broderick designed the kitchen herself, which in itself is a housewife's dream. The motion picture star is shown above at the new electric range. The smooth table-top of the range gives ample room for smaller electrical appliances, and there is an extra service outlet for the connection of toasters, griddles or other electric servants. The white range is set on a contrasting black base, inset to provide generous toe-space. A large oven, generous warming compartment and two large utility drawers are interesting features of the range. Because it marks the beginning of a new cooking method, Miss Broderick appropriately calls her range the "new era."

### STRAWBERRY JAM FOR HUNGRY HUSBANDS

BECAUSE of the perfect heat control of the electric range, housewives who have adopted this modern method of cookery have found it especially favorable to the preparation of delicious jams and jellies. The June-bride cook shown above has just completed her first batch of strawberry jam, which is going to taste mighty good to her new husband next winter! With the help of her electric range, she transferred a quart of juicy, ripe strawberries into six glasses of jam in the record time of twelve to fifteen minutes. Heat control was required, because four different heat changes are necessary to insure a perfect jam. The Thrift Cooker of the range—the six-quart aluminum cooking vessel fitted into the top of the range—is ideal for the sterilization of the jelly glasses. It sterilizes by steam, eliminating the old boiling water method which often resulted in burned fingers and wasted fuel. The glasses are piled in the Thrift Cooker, covered with only one to two cups of water, and steamed on HIGH heat forty-five minutes to one hour after steam appears from the vent of the Cooker.

### BAPTIST HOME COMING

AT ANSON JUNE 13-14

Anson, June 9.—On Saturday and Sunday, June 13 and 14, Baptists from all West Texas will be in Anson for the fifty-sixth anniversary Homecoming of the First Baptist Church here.

The church was first organized in a dugout under a mesquite tree three miles south of Anson and the first pastor was the Rev. G. W. Scarborough, father of Dr. Lee R. Scarborough who is president of the Southwestern Theological Seminary of Fort Worth.

The program committee has as its chairman the Rev. R. D. Deweese, a former pastor here. L. P. Henslee, Bill Neville and Ted Carson are on the arrangements committee and the members of the invitation committee are A. S. Barkley, E. F. Rowell and Mrs. T. G. Blackstock.

The present church was erected in 1909 and Rev. J. H. Pace, now of Beaumont, was the pastor. The first church building was erected just northeast of the square. The Rev. L. A. Doyle is the present pastor.

The program begins with song services on Saturday night at 8:45 P. M. and is followed by a sermon by Rev. G. W. Thomas, of Ranger.

The Sunday program starts at 9:45 A. M. with Sunday school. At 11:00 A. M. the pastor will give an address of welcome and at 11:00 there will be a sermon by the Rev. M. C. Bishop of Post.

At the noon hour lunch, consisting of barbecue, beans, pickles, pies, cakes, coffee and iced tea will be served in the high school gymnasium.

Song services will start at 1:30 P. M. and at 2:00 P. M. a historical sketch of the church will be given by the Rev. R. D. Deweese. At 2:20 P. M. there will be an hour of personal worship and testimony by the congregation and at 3:00 P. M. Dr. C. A. Powell of Abilene, will deliver a sermon.

**MISS MARY RIPPETOE  
 MARRIED TO  
 MR. DEE CAMPBELL**

Miss Mary Rippetoe and Mr. Dee Campbell were united in marriage in Anson on Sunday, June 7, bringing a surprise to their many friends of this city and other places where they are well known.

Immediately following the ceremony they left for a wedding trip to Dallas, the Centennial and other points. This week-end will find them at home in Hamlin.

Mrs. Campbell is a daughter of Mr. Hite Rippetoe of Lipan, Texas, and she is a sister of Mr. J. M. Rippetoe, pharmacist at the Reynolds Drug Store of Hamlin. She has lived in Hamlin for about one year and her pleasing personality has won for her the friendship of all her acquaintances.

Mr. Campbell is one of the progressive young business men of Hamlin, being the senior member of the Campbell Dry Goods Company. He is a son of Mr. and Mrs. P. H. Campbell of Rule. He too, has made a host of friends in this city.

Otto Berlin, temporary manager of the Strauss Dry Goods Co., made a "flying trip" in his auto to Dallas to replenish their summer stock.

**Keep a Good Laxative  
 always in your home**

Among the necessities of home is a good, reliable laxative. Don't be without one! Do your best to prevent constipation. Don't neglect it when you feel any of its disagreeable symptoms coming on. "We have used Theodor's Black-Draught for 21 years and have found it a very useful medicine that every family ought to have in their home," writes Mrs. Perry Hicks, of Belton, Texas. "I take Black-Draught for biliousness, constipation and other ills where a good laxative or purgative is needed. I have always found Black-Draught gives good results." Sold in 25-cent packages.

**"Rambling  
 'Round"**

—SEEING WHAT'S TO SEE  
 —HEARING WHAT'S TO HEAR

As we "Ramble 'Round" this week we notice that the Mesquite trees are minus BEANS. . . the old saying "plenty beans, no rain—no beans, plenty of rain"—that may sound paradoxical, but you can't fool "Mesquite natives." Maybe the scarcity of beans is from the late freeze, and not from the fact that lots of rain fell just when the bloom was right to be "washout up." Freezes kill orchard fruits, why not mesquite beans? But when it is real drouthy, and the skies look like copper and brimstone, and the air feels like its out of a hot furnace, then it is the mesquite beans get long and yellow. Maybe no beans mean a big farm crop.

**FLIES, FLIES!** The year 1914, strange as it may seem, we remember coming to Hamlin in that memorable year. Flies, flies by the "millions and quintillions." However, then the streets were standing not only full of water, weeds, grass, tadpoles, and frogs, but hitching racks were common, cow lots were by the side of your door unkept, chickens took refuge on the front galleries in time of rain and extreme heat. That year the World War broke out. Flies everywhere! This year there are many flies, but seldom do you hear a hog grunt; few are kept in or close to town. Cow lots are mostly clean, so far not much water has stood in the bar ditches, weeds are numerous but not like in the old days of 1914. The war on flies is

still raging.

Ira Clements, the efficient mail carrier of Route 4, President of the Hamlin Rotary Club, and Chairman of the Civic Committee of the Hamlin Chamber of Commerce, is elated over the clean-up start that the various clubs are doing. From what our "rambling eyes" can see, the vacant lot is being centered upon and don't things look better after the hoe and mower travels over the "patch"?

We can't tell yet how the prizes will come out. Some of the assignments have a hard task compared to others. So far we have heard nobody crying to get a vacant lot to "keep." But it's a good avenue of work and income to the rustler. But you will say "who's going to pay for the work?" The fellow who is a go-getter will seek the various sources of pay, when assisted by the City Council, or the Chamber of Commerce. First, the owner MIGHT contribute a little to start with. The Chamber of Commerce MIGHT chip in a little each month. The closeby citizen MIGHT dig up a little and when it's all in, "every little bit helps." The MIGHT depends on the hustler.

J. L. and I. E. Owen of Fort Worth, brothers of Hamlin, Oscar Owen, came in late Wednesday to make a pop call on Oscar. They are true Owen, judging from their jokes and laughter. They have something funny to fit every angle.

William Muncy, who has been in Flagstaff, Arizona, in a CCC camp, has a job with a bridge company in San Francisco, California.

Riley Foster of Winters, is a salesman at the Safeway Store. He takes the place of J. H. Moore who goes to the Winters store.

5. CENTER-POISE RIDING COMFORT

**NO MATTER** how you classify your expenditures for car up-keep—it's your total expenditure that counts. How much "dollar mileage" is your car giving you?

Dollars do go farther in the Ford V-8. Modern improved carburetion gives you unusual gasoline mileage with brilliant V-8 performance. Most owners of today's Ford change oil only every 2000 miles and add none between changes.

And after the first few thousand miles you begin to understand what Ford V-8 "dollar mileage" really means.

It gives you more miles per dollar because it gives you all-round economy—low first cost, low up-keep cost, low depreciation and long life—as well as low gasoline and oil consumption. All these are big items if you aim to buy the most economical car.

**BE SURE IT . . .**

- Keeps Foods Safely
- Freezes Plenty of Ice, Quickly
- Operates at Low Cost

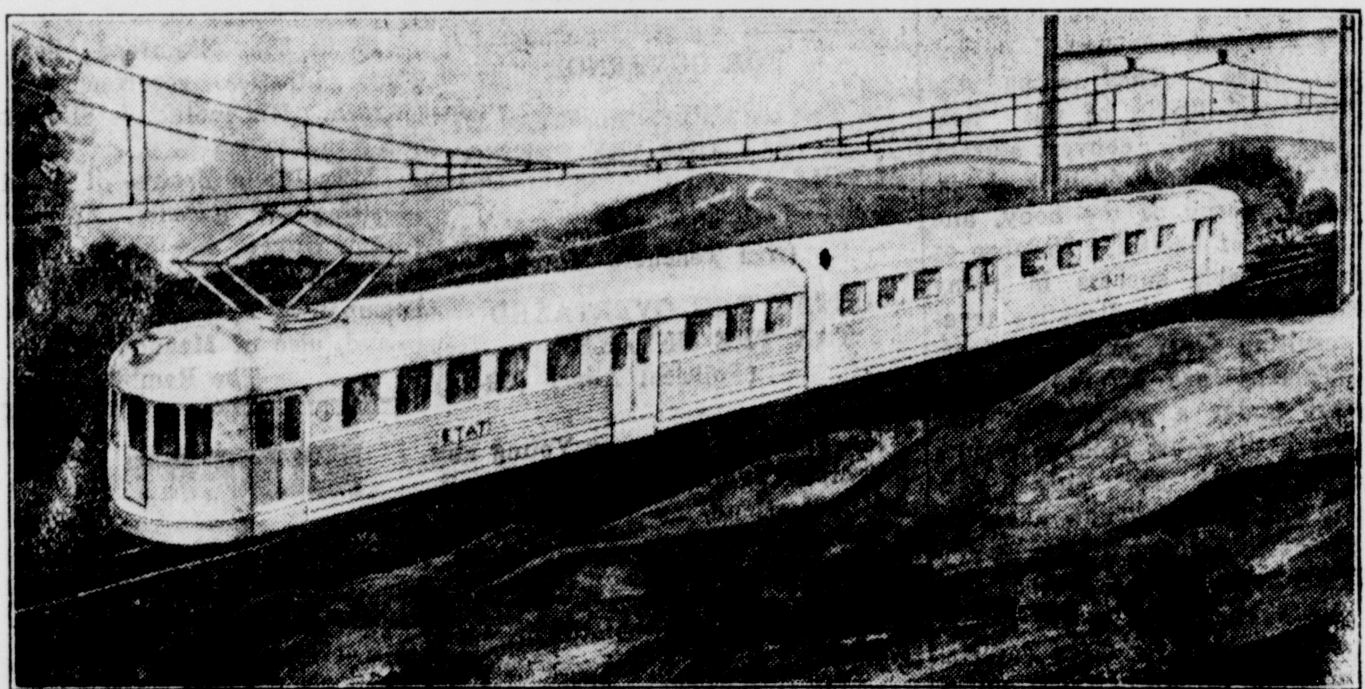

A MODERN Electric Refrigerator automatically maintains a temperature below 50 degrees, the government standard for safe food preservation. Its operating mechanism is so constructed to give you the surplus refrigeration power necessary during hot spring and summer weather.

In addition to safe food preservation, a modern electric refrigerator gives the home a score of conveniences. It will freeze plenty of ice quickly. Permit the serving of frozen salads, ice cream and other desserts on short notice.

This important health protector and outstanding convenience of electric refrigeration is yours for only a few cents each day. In fact, the average daily cost of electric service to operate the new, modern electric refrigerator is considerably less than the cost of a quart of milk.

## CHAMBER OF COM. NEWS ITEMS

Through the efforts of Ira A. Clements, Chairman of Civic Committee, a Clean-Up Campaign is now being conducted through our City. Eight of the various Clubs of the town are taking part, the town has been divided and each of these eight Clubs have been awarded their respective section, consisting of several blocks each. A prize of \$5.00 will be given the Home that has the cleanest appearance in any club's plat by the Club. To the Club having the cleanest Plat the Chamber of Commerce will give a \$25.00 prize.

It is hoped by the Civic Committee as well as by the various Clubs participating that after the Campaign is over that our Town will have really cleaned up, and that the visitors coming this way for the Texas Centennial will be able to make favorable comments on the cleanliness of our town.

Out-of-town judges will make the awards to the winners of the above prizes.

### TRANSPORTATION

The Road Committee including J. W. Ezell, J. J. Waggoner, H. O. Castle, and County Commissioner John C. Turner attended a meeting at Sylvester Wednesday morning at 9:00 A. M. Our Committee met with like committees from Sweetwater, Longworth, Sylvester and McCaulley. The purpose of the meeting was to discuss the advisability of asking for a W.P.A. project on a road from Hamlin through the above named towns to Sweetwater.

After some discussion it was agreed that each town send their Committee to Abilene Thursday morning to confer with the W. P. A. office in regard to securing funds for this road.

Our Road Committee will continue their efforts on getting a designation of a Highway from Hamlin to Rotan. Mr. Hines promises that this will have their attention just as soon as possible.

### PUBLICITY

Through the efforts of the Pub-

licity and Centennial Committees Hamlin will be well advertised at the Ft. Worth Show. A Panel has been arranged and will be on display at the West Texas Building. A News Reel has been purchased and this will be run regular in the building and can be seen by the thousands of visitors who will be coming to this show. The panel and the reel will, of course, be devoted to Hamlin and Hamlin territory. 100 printed pamphlets was donated to Hamlin by the West Texas Chamber of Commerce, and our Local Chamber bought an additional 2000. These folders or pamphlets will be available at the booth where the Hamlin Panel will be on exhibit.

### MASONIC LODGE ELECTS

#### OFFICERS FOR THE NEW YEAR

At the regular Stated Meeting of Hamlin Lodge No. 958, A. F. & A. M., Monday evening, the 8th, the following were elected to serve for the ensuing year:

Richard Lehman, W. M., J. O. Hopper, S. W., R. B. Morgan, J. W., J. W. Ezell, Treasurer, W. E. Benson, Secretary, Oscar Owen, Senior Steward and L. D. Fry, Junior Steward.

Sam Leal, manager of the Acme Crushed Stone Co., returned Monday from the Centennial where he got the thrill of his life. Sam was the first man to report to the Herald his "findings" and from what Sam says he found "plenty." Really, it's too big to tell about. One thing to bear testimony was the beautiful "gold like" Centennial badge. Sam says, "Gosh, it's something we're not going to see around here in many moons." He said it will take one 7 days to see anything like all of it. But he says go!

### W. B. FLETCHER WAS BURNED THURSDAY OF LAST WEEK

The Herald carried a short notice last week that W. B. Fletcher was placed to rest on Thursday.

William Bland Fletcher was born in Collin County, Texas, 63 years ago last February 15. He passed away on Wednesday, June 3, 1936, at a hospital in San Angelo, Texas.

The deceased came to Jones County with his parents, in 1886, and was truly a pioneer citizen. He was united in marriage to Edna Feagan in the Neinda community and to this union there were four children, one of whom died in infancy, the wife and three children survive, Mrs. August McWilliams of San Angelo; Mrs. Alford Harden of Hamlin and Feagan Fletcher of Brawley, California.

Mr. Fletcher made Hamlin his home till about 1919. He was a member of the Methodist Church, and a man of many lovable and valuable traits.

The body was brought to Hamlin for the funeral, which was held in the local church, conducted by Rev. Barton of San Angelo, in the absence of the pastor. The Barrow Company had charge of arrangements and interment was in East Cemetery, Hamlin.

### Muscular Pains Promptly Relieved

FEELS LIKE LIVING AGAIN AFTER MANY YEARS SUFFERING

In commenting about her long illness with muscular rheumatic pains, Mrs. Ivan Yargus, states, "I had such pain in my back, shoulders, neck, arms and hands that I couldn't rest at night. I couldn't raise my arms to comb my hair and felt life wasn't worth living. I saw an ad in the paper about Williams R. U. X. Compound and got a bottle. After two doses the pain began to leave. I have taken this medicine now for a little over two weeks and feel like living over again. Can do all my work now and before I had to have help."

Mrs. Yargus' experience is like that of many others taking Williams R. U. X. Compound, who have found that it is no longer necessary to suffer stabbing muscular rheumatic pains without the benefits of this doctor's prescription.

Take just a few doses and see how quickly you are relieved. Williams R. U. X. Compound contains pain-relieving ingredients which are absorbed into the blood, and carried

to sore, inflamed muscles and parts, giving ease and comfort which is a blessing to sufferers.

Don't let muscular rheumatic pains tear you down. Get a bottle of WILLIAMS R. U. X. COMPOUND today and get relief.

## Society and Clubs

### TUESDAY CLUB WITH MRS. JOHNSON

Mrs. W. F. Johnson entertained the Tuesday Club in her home on Jackson Avenue, Tuesday afternoon. Three games of contract were played with Mrs. D. O. Sauls holding high score.

At the tea hour vases of white roses centered tables on which an ice course was served.

Those present were Meses. H. O. Cassle, H. L. Norris, R. B. Wiar, Bowen Pope, D. O. Sauls, W. J. Poe, J. W. Ezell and J. C. Culbertson.

### MRS. ROUNTREE HOSTESS TO CLUB

Mrs. Bill Rountree was hostess to the Trece Senoras Club in her home Tuesday afternoon.

Garden flowers decorated rooms where guests spent the afternoon at bridge. High score was won by Mrs. Clinton Barrow.

Following the games ice cream and cake was served to Meses. Clinton Barrow, Grogan Turner, Otis Hopper, H. L. McBride, F. D. Wells, Buford Dean and J. E. Bury.

### HAPPY HOME COMING

The children of Mr. and Mrs. J. A. Stephens, of Sinclair, near Anson, surprised their parents with a Happy Home Coming on Sunday, June 7, at their home.

This was the first time all the children had been able to be to-

gether in almost 10 years. The occasion was a very happy one and shall always be remembered by all present.

Those present including Mr. and Mrs. J. A. Stephens, were Mrs. C. R. Davis, of Deming, New Mex., Mr. and Mrs. Frank West and family of Anson, Mr. and Mrs. Johnny White and family of Avoca, Mr. and Mrs. Frank Tucker and family of Hamlin, Mr. and Mrs. W. A. Stephens and family, Merkel, Nute Stephens of McCaulley, Edith Stephens of Lueders, Mr. and Mrs. M. H. Castleberry of Neinda, Mr. and Mrs. J. A. Major and family of Anson and Andrew Russell, Deming, New Mex.

We wish this family many more happy home comings.

### JONES COUNTY TO LOSE

MISS JEWEL FAULKNER, H.D.A.

Wednesday morning the Herald office was visited by County Agent R. H. Maxwell, District Home Demonstration Agent, Miss Maurine Hearn of A & M and Miss Jewel Faulkner, Jones County Home Demonstration Agent.

Miss Faulkner is resigning her position in Jones Co. effective July 1. She is taking up "practical home demonstration work in other fields, more restricted." The Herald is drawing a conclusion that there is a "lucky man" somewhere — anyway Jones County is losing a number one

### H.D.A.

Miss Hearn assured us that a good agent would take the place of Miss Faulkner.

Maxwell had but little to say — evidently realizing his inability to out talk two lady agents.

### McCAULEY NEWS

The farmers are all very busy, trying to clean the weeds out of the crops.

Mr. and Mrs. Earl Andress are announcing the birth of a little son, June 2, 1936., weight 7½ pounds. He was given the name, Micky Lee. 'Tis said Earl wants him to be a big base ball player in the future.

Mr. and Mrs. Ellis Evans have a little son, born June 3, 1936. He weighs 8 pounds and was given the name, Charlie Miers.

Mr. and Mrs. William Mayo have a new addition to their family. A little son was born June 4, 1936, weight 6 pounds and his name is undecided. We are hoping that all of these young men have a long and happy life.

The following officers were elected for the Y. W. A.: President—Frances Mills, vice pres.—Bill Mill-sap, secretary—Lillie Akins, treasurer—Emma Hopkins, and Mrs. Garland Davis, counselor. The Y. W. A. meets twice a month, the second and fourth Monday night of each month. They have about 18 members enrolled now and are hoping many more will join.

Mrs. L. W. Lancaster and son, Wesley and daughters, Joyce and Tioline, of Sierra Blanca, are guests of Mr. and Mrs. W. W. Stephens and family.

### WISE CHAPEL ITEMS

All the farmers are busy with their crops this week.

Mr. and Mrs. Olen Vaughan are the happy parents of a nine pound boy, born June 2, 1936.

Mrs. Rheba Heffer and son, of Chicago, are here visiting her mother and brothers, Mrs. Nane Proffitt, Clarence and Earl Proffitt and wife.

Mr. and Mrs. Dave Herbst spent Sunday with Mrs. Herbst's parents, Mr. and Mrs. Shield at Anson. They were accompanied home by her sister Mrs. Opal Ratliff of Levelland.

Mr. and Mrs. A. P. Proffitt and daughter, Aurelia Mae, and Mrs. Garrett spent Sunday with Mr. and Mrs. Leonard Proffitt of Anson.

The singing at the Abbie Church Sunday night was enjoyed by all. The singers were Messrs. Odie Echols, Henry Ship and Mr. Clark and daughter, all of Abilene. The Sinclair Duet Fred Bennett of Anson, and Jackie McCoy of Hamlin, gave some very pleasing numbers. Lawrence Ivey, well known pianist furnished accompaniment.

Jaunita Flenkins of Weinert, is visiting her sister, Mrs. Miles Collins and family.

Mr. and Mrs. Joe Bonds and family visited Miss Minnie Hayes of Flat Top Sunday.

Miss Joyce Agnew visited Mr. and Mrs. D. M. Harris Sunday.

Mrs. Clarence Lyon and sons of Commerce are visiting her parents, Mr. and Mrs. D. M. Harris.

Miss Grace Fomby left Monday for Hardin-Simmons College at Abilene.

The Wise Chapel Church is starting up their Sunday School again. Everyone is welcome to come.
